Teaching God's children about their Creator, Savior, and Friend while preparing them for a lifetime of wonder, learning, and service.

## Future Leaders of Church and World

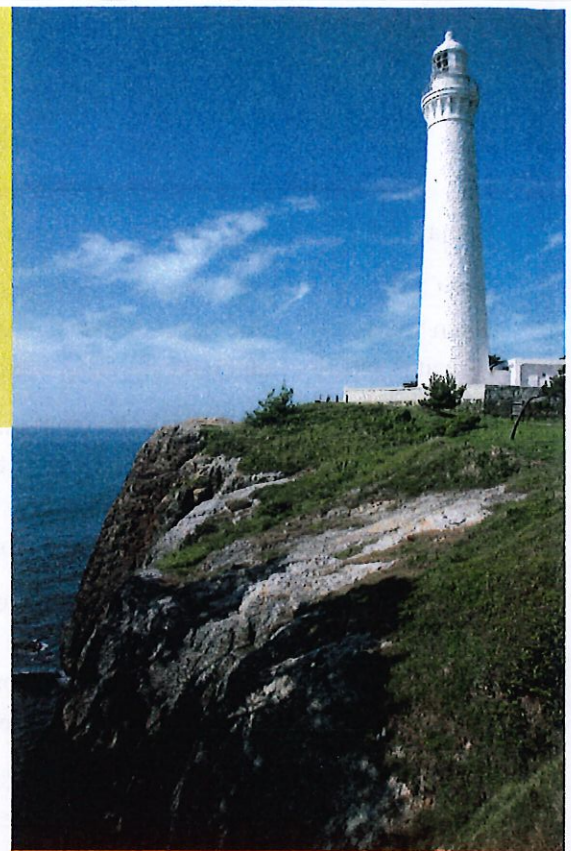

These precious kiddos may look like they are just pretending to be mothers, fathers, teachers, and workers, but in a few years they WILL be mothers, fathers, teachers, and workers. These little ones who are learning to be kind, thoughtful, intelligent people will one day be the leaders of our churches and world.

Perhaps they will be great presidents like the ones of which we celebrate during the month of February. More likely, they will be leaders of their communities and churches, and it is guaranteed that they will greatly impact their families as mothers, fathers, aunts, uncles, or whatever other relational vocation the Lord calls them to.

Let us pray for them that the Lord's glory might be shown to the world through them. May all the world know of Christ because of the truth we pass down to even the littlest among us!

**We could use a few more snacks to get us through the end of the year- especially canned fruit, popcorn, and dry cereal.**
