**Holy Communion:** In joyful obedience to the teaching of Scripture. It is our practice to determine doctrinal unity for those partaking of the Sacrament. Our practice is no way denies that there are Christians in other denominations. Rather, we practice close communion because oneness in doctrine is also witnessed to in this celebration. We ask that our guests speak with the pastor before the service. Let us pray that the divisions that separate Christians may one day be healed on the basis of Holy Scripture. "For the well-being of the church of God, and for the unity of all, let us pray to the Lord. Lord have mercy."
