

Get to Know Me!

I am very excited to be the new teacher/director at St. Paul's Lighthouse Preschool!

I am originally from Glidden, Iowa, a small town on the western side of the state. I was a member of Peace Lutheran Church there in Glidden my whole life until moving to Aberdeen and becoming a member of St. Paul's. Growing up in a small town I was blessed to have a local community orchestra nearby to be a part of. Music is very important to me and I have played both violin and piano for many years.

In May 2017, I graduated from Concordia University Chicago with a major in Early Childhood Education, minor in Theology, and an endorsement in English as a Second Language. I am certified to work with children from infants to 3rd grade. While at college I was a member of the Orchestra, the chapel choir, and the Kapelle choir.

My time at Concordia afforded me countless opportunities to learn both in the courses offered there and through many observations in a variety of different schools and classrooms. Concordia also has an Early Childhood Education Center on campus. I worked in this center for three out of my four years at Concordia. While there I worked in classrooms with 2-3 year olds, 3-4 year olds, 3-5 year olds, and in the office. I completed my student teaching internship in Buckley, IL and Woodworth, IL. During this time, I spent eight weeks in a 1st grade classroom at St Johns Buckley and then another eight weeks in a Preschool classroom at St. Paul's in Woodworth.

I was blessed to receive the call from St. Paul's in Aberdeen to the Lighthouse Preschool. I am overjoyed to now be here teaching these little ones. I believe all children are unique individuals created by God, each possessing value and worth. As the teacher at the Lighthouse Preschool I strive to provide each student with the opportunity to learn in a developmentally appropriate way. Each student is given tools to explore and play as they learn about God's wonderful creation. The love and forgiveness of Christ is the foundation of all that we do!

God's richest blessings!

Miss Miller

Lighthouse Preschool Teacher/Director
