

I Corinthians 4:1-13

Discussion: 4:6 states, **I have applied all these things to myself and Apollos for your benefit, brothers, that you may learn by us not to go beyond what is written, that none of you may be puffed up in favor of one against another.**

Do Christians “seek” a wisdom that goes beyond what is written? Why?

Judging the Ministry of the Apostles

1. What does it seem like the people of Corinth have been attracted to?
2. What actually do they do?
3. What is a steward?
4. How do we reconcile vs 3 with Romans 7:11-20?
5. (Vs 3) This “human” judgement is not something Paul is concerned about why? What judgement is he concerned about?
6. (Vs 5) If judging is bad, how do we do this christian life?
7. (Vs 6) What would be the “things that are written?”
8. (Vs 9) What do you think a spectacle means here?
