

# **The Healing of Our Five Senses:**

## **Hearing**

The Basics-How do our ears interpret auditory information?

What is the most crucial use of hearing?

What are other uses of hearing?

Why create beauty to be heard at all? Is it foundational in God or is it a gift?

Let's look at scripture:

**Exodus 14:29-15:1; Psalm 27:6**

- What is the natural inclination of God's People?

**Psalm 98:4-9**

- What is singing?

**Isaiah 35:1-10**

- Why would the deaf hearing be part of final things? Wouldn't seeing be enough?

**Mark 7:32-37**

- Vs 34: What is the desire of Jesus?
- How language is acquired vs How does Jesus do it?
- A tongue that is loosed can't be restrained.

**Healing Senses As Metaphor: Matthew 11:11-19**

- So, is hearing always hearing actual sounds?
- Our sense of hearing in biblical terms is more often connected with hearing God's truth so is that a combination of hearing with our ears and our faith or just our faith?
- Can your hearing lie to you?
- What can we trust alone in times like these?
